Membership dues pay for on-going projects of the association such as the newsletter, mailings, and coordination with the high school as well as website maintenance. We are also designing Spirit Wear and planning fund raisers to help with special projects at the school.

A Recent Alumni Association Project:

The Alumni Association through the support of its members was able to pay for a new electronic billboard and Alumni Garden with a beautiful path of personalized brick pavers and garden benches on the southwest corner of the high school. Go and check it out.

We will be sending the NEWSLETTER electronically unless you let us know otherwise!
