

Honor a graduate with a CCHS Alumni Brick
**Take a step toward preserving the history and tradition
of Central High School**

Over the last several years the CCHS Alumni Association has been working on the landscape beautification project on the corner of New and University St. which included the new electronic sign. Part of that project includes Alumni Bricks which complete a walkway with benches and lovely landscaping. This is an ongoing project for the CCHS Alumni Association to raise funds for scholarships and school related projects. These bricks are the perfect way to commemorate a graduate past or present from Central High School or you may wish to honor a former teacher or your entire class. All bricks will be moved to Central High School's new location.

- Bricks ordered by June 30th will be installed before the start of school in the fall. Any brick orders received after that date will be installed the following year.
- Alumni Bricks can be personalized with names, dates or special messages with up to 4 lines of text.
- Each line may contain up to 14 letters/numbers or spaces (no exceptions)
- The cost is **\$125.00** for the first Brick, and **\$100.00** for each additional Brick (orders must be submitted at the same time)
- Questions regarding the bricks may be directed to Judy Yost, '62 (217) 493-5380
- The Champaign Central Alumni Association receives organizational support from the **C-U Schools Foundation**
- **You may also order online at: www.Central.ChampaignAlumni.com**
